About IHSA

IHSA is a leader in health and safety education. Through skills-based training, auditing, and evaluation, we provide safety solutions to those who perform high-risk activities such as working at heights, working with energized high-voltage power systems, driving motor vehicles, transporting dangerous goods, working on suspended access equipment, and utility line clearing.

IHSA supports 16 regional and 26 trade or sector labour-management health & safety committees across Ontario, as well as two Section 21 committees that serve as advisors to the Minister of Labour.

We offer

- Training programs
- Consulting services
- Health and safety audits
- Publications and e-news
- Posters and stickers
- Reference material
- A resource-rich website
- Solutions to high-risk activities
- Due diligence solutions.

You are automatically a member of IHSA if you work in one of the 28 rate groups in the industries that we serve.
